

Protect Your Company's Most Valuable Assets

Exclusive Commercial Asset Protection Program for Large Rooftop Owners.

- You need to know whether your commercial property has suffered prior roof and related damage due to hail, storm and other weather-related events.
- Our Storm Damage Experts will inspect your commercial properties **free of charge** with **no commitment** from you.
- Learn how we use the same tools as insurance companies to make sure your properties are protected.
- We are experts at arming commercial property owners with information and mitigating risk when it comes to protecting their assets.

Our expertise reduces your worry about your properties that experience damage.

- Stop wondering if you have the proper insurance policy in place.
- Stop wondering if your insurance company will be there when you need them.

The experts at Flores & Pelaez-Prada, PLLC consult with commercial property owners and managers across the country to help protect their most valuable assets.
